

"Put Your Best Face Forward"

HUFFY'S MARATHON, on the corner of Main and First streets in uptown Perry, is the September recipient of the monthly "Put Your Best Face Forward" contest held throughout the summer in the City of Perry.

Perry Mayor Ross DeLau (left) congratulated owner Dave Huffine (center) for earning the right to display the traveling trophy in the business for one month. Master mechanic Jeff Fuqua (right) was also on hand during the presentation.

In addition to providing full-service to its customers, Huffy's sells quality used cars at a price to fit the budget.

Huffy's features full service gas and diesel, pumped for the customer with complimentary window washing as well as oil and fluid checks along with tire pressure checks. They also have full service repair including oil change, brake service and shock service along with batteries, alternators, belts and hoses. Their full service tire department includes tire repair plus new tires for cars, trucks, lawnmowers and bikes. And don't forget the Full Service Auto Sales.

Judging for "Put Your Best Face Forward," held the last Monday of each month, is based on overall appearance, clean sidewalks and windows, window presentation, flower displays (weeded and watered) and absence of trash.

The monthly winner will be announced in the Perry Independent and receive the traveling trophy to display in the business throughout the month.
