

"Put Your Best Face Forward"

GREAT LAKES MONUMENT was selected as the business site to be recognized for this month's "Put Your Best Face Forward" merchant award presented throughout the summer in the City of Perry.

Owner Jim Postema (right) proudly accepted the traveling trophy from City Councilmember Tom Chaput (left). Postema's wife, Lisa, is also pictured as well as their daughters Emily and Elena.

Located at 531 North Main Street, across from Snyder's IGA, Great Lakes Monument has a varied selection of monuments and memorials to choose from with literally hundreds of options when selecting color, size, shape, style and design.

Photo memorials are also available with the customer's choice of using a full color portrait directly etched into the stone or a photo quality, weather resistant photo epoxied to the stone.

Multi-purpose bronze plaques and reflection benches may also be purchased at Great Lakes.

Postema, a second generation monument company owner, established Great Lakes Monument at its current location in 2003. Always clean, well-kept and nicely landscaped, the facility is a great asset in welcoming motorists traveling into town on south M-52.

As he presented the trophy, Chaput thanked Postema for his diligence in maintaining great curb appeal and enhancing the community and business district.

Judging for Put Your Best Face Forward is based on overall appearance, clean sidewalks and windows, window presentation, flower displays and absence of trash. As this month's winner, Postema earned the right to display the traveling trophy in the business for one month.
