

"Put Your Best Face Forward"

HUFFY'S MARATHON and Main Street Auto, on Main street in uptown Perry, is the first recipient of this year's "Put Your Best Face Forward" merchant award held throughout the summer in the City of Perry.

A second time winner, owner Dave Huffine (left) accepted the trophy from Councilwoman Karen Potter (right). Huffine was joined by his wife/co-owner Sherrie and certified mechanic Chuck Lauderdale.

As a full-service station, Huffy's pumps fuel for its customers, as well as providing complimentary window washing, fluid checks and tire pressure checks. The full-service repair facility offers oil changes, brake service and shock service along with batteries, alternators, belts and hoses; plus a full service tire department for cars, trucks, lawnmowers and bikes. – And, don't forget to browse the lot at "Main Street Auto" for a quality used vehicle at an affordable price.

Judging for "Put Your Best Face Forward," is based on overall appearance, clean sidewalks and windows, window presentation, flower displays (weeded and watered) and absence of trash.

As this month's winner, Huffy's earned the right to display the traveling trophy in the business for one month.

Potter said the wonderful landscaping at the local service station is what caught her eye when searching for this month's recipient.
