

# "Put Your Best Face Forward"

**SUNFISH TANNING, located at 679 North Main Street in Perry, immediately south of Rite-Aid Pharmacy, is the September "Put Your Best Face Forward" merchant award.**

**The full service tanning salon, owned and operated by Brian and Tina Buck, provides a comfortable, relaxing atmosphere for clients using the tanning facilities. Heat controls, operated by the trained staff, are centrally located to help prevent clients from over-tanning.**

**Tina is also an independent consultant for Arbonne International, a unique service that concentrates on beauty, health and wellness.**

**In addition to tanning equipment Sunfish Tanning has numerous complementary items for sale including a wide array of body jewelry, sunglasses, tanning and moisturizing lotions and tanning goggles (customers may also provide their own).**

**Councilmember Terry Wood presented the "Put Your Best Face Forward" traveling Trophy to the Bucks, Tuesday, Sept. 20.**

**The monthly "Put Your Best Face Forward" award is selected and awarded by a different council member each month May through October. Selection is based on overall appearance, clean sidewalks and windows, window presentation, flower displays (weeded/watered) and absence of trash.**

**Recipients are presented the traveling trophy to display in the business throughout the month along with being congratulated on the City website ([www.perry.mi.us](http://www.perry.mi.us)) and recognized through local media.**
